**Re: Status of Repair Permit for: 2903 Meadowlark Road Dunn NC 28334**

Ms. Earnest:

An attempt was made to evaluate your property for the purpose of issuing a Repair Permit. The evaluation could not be completed for one or more of the following reasons.

- 1. Use pink flags to mark property lines and irons that are set by surveyor need to be visible.
- 2. Use orange flags to mark house corners (*\$25.00 fee incurred*)
- 3. Directions not clear to property (*\$25.00 fee incurred*)
- 4. Property needs only brush or vegetation removed
- 5. Driveway not shown on site plan
- 6. Backhoe pits required
- 7. Other- Septic Maintenance Advised – Septic repair would likely be unconventional due to lot width, existing septic area, detached buildings and shelters, and new pond. Repair would likely require pumping to existing farmed field. New septic portion of field would have to be pulled from farm use. Ownership advised to have septic contractor pump septic system, locate distribution method, and determine if any blockages, crushes, etc. in existing field prior to pursuing full repair. Survey irons will be required in field prior to future septic repair permit.**

Your application will be put on hold until the selected items above have been addressed. When completed **please call 910-893-7547 to confirm** that the items mentioned have been corrected, we will then reschedule your property for evaluation.

Sincerely,

Andrew Currin, R.E.H.S.
