Jeanann,
Mr. Matthews is good to move on to environmental review for his septic.

Thank you,

We will need the zoning permit from Town of Lillington prior to processing septic permit

Good morning Central Permitting,

I'm in a contract to purchase land in Lillington. I've submitted a zoning use application to the Town of Lillington. Before I purchase I need to know if the land can have a septic system. I've spoken to Hal Owen, who owns a soil testing company, about the perk site on this property. Hal told me there was a perk site based on work he has done near that property.

Please call or text me if I've not filled out something on the application correctly.
