RE: Redemption Outreach Center Stars Academy

Dear Ms. Kelley,

An application for the above referenced facility was received and reviewed by this office. Additional information is required as follows for review to continue:

- Catered meals were listed as a food source. Please identify caterers that will be used.
- Please indicate whether the dish machine has a sanitizing cycle.
- Floor plan layout is not detailed to show all equipment. For example, there are no sinks shown in the kitchen, the canwash facility is not shown, nor is the playground location. Please indicate location of all handsinks.
- Describe and show location of proposed barrier to separate kitchen from children.
- Dining is shown as being combined with the kitchen area on the layout however the application states children will eat in the classrooms. Please clarify which is true.

In addition,

- It is unclear from the layout where cabinets and countertops are located. Drainboards and countertops provided must equal no less than 8 square feet.

If you have any questions, please call 893-7547.

Sincerely,

Cindy Pierce, REHS
