Re: Status of Repair Application

Mr. Johnson

An attempt was made to evaluate your property for the purpose of issuing a Repair Permit. The evaluation could not be completed for one or more of the following reasons.

- ☐ 1. Use pink flags to mark property lines and irons that are
Set by surveyor need to be visible. Property lines to be marked/flagged every 50'.
- ☐ 2. Use orange flags to mark house box.
- ☐ 3. Directions not clear to property (\$25.00 fee incurred)
- ☐ 4. Property needs cleared
- ☐ 5. Driveway not shown on site plan (Revision Required)
- ☐ 6. Backhoe pits required
- ☒ 7. Other- Property survey corner irons must be uncovered/demonstrated. Property lines must be marked every 50' between irons. Septic tank outlet lid must be uncovered. Based on available space, a well abandonment may be required if there is access to county water. This is to make room for a repair of a new septic system.

Your application will be put on hold until the selected items above have been addressed.
Any questions I can be reached at 910-893-7547 between 8:00am -9:00am Monday-Friday.
