

Unless directed otherwise, all items are to be submitted through the Central Permitting Office at 420 McKinney Pkwy., Lillington, NC 27546 or by mail to PO Box 65, Lillington, NC 27546. You may contact the Central Permitting Office at 910-893-7525, Ext. 2. However, please contact our office with questions regarding the contents of this application.

Plans are reviewed using North Carolina's 15A NCAC 18A .2600 Rules Governing the Food Protection and Sanitation of Food Establishments and the NC Food Code Manual To view these rules, go to http://www.deh.enr.state.nc.us/rules.htm or obtain a copy from our office at 307 West Cornelius Harnett Boulevard, Lillington, NC 27546. For additional information regarding facility design, you can access the plan review link of the Environmental Health section on the Health Department's website at www.harnett.org. Plans must be submitted to the local health department for approval prior to construction, renovation, or modification of such facilities.

*Franchised, chain, and prototyped facilities are required to submit a separate application and plans to the Department of Public Health, Environmental Health Section Plan Review Unit at 5605 Six Forks Rd., Raleigh, NC 27609.

If you have questions, contact one of the following Food and Lodging staff listed below at 910-893-7547:

Gale Violette, REHS Food and Lodging Program Specialist Jamie Turlington, REHS Environmental Health Specialist

Cindy Pierce, REHS
Environmental Health Specialist

Nikki Eason, REHS Environmental Health Specialist

Plans must be submitted with the following supporting documentation:

A complete set of plans drawn to scale showing the placement of each piece of food service equipment, storage areas, trash can wash facilities, etc. along with general plumbing, electrical, mechanical, and lighting drawings

Plans must include a site plan locating exterior equipment such as dumpsters or walk-in coolers

A complete equipment list and corresponding manufacturer specification sheets

A proposed menu

possible Complete descriptions including

FOOD HANDLING PROCEDURES

Explain the following with as much detail as possible. Complete descriptions including specific areas of the kitchen and corresponding items on the plan where food is handled will expedite the plan review process. Incomplete descriptions may result in the application being returned.

Explain the entire food handling procedure for <u>each food item on the proposed menu</u>. Including:

- How the food will arrive (frozen, fresh, packaged, etc.)
- Where the food will be stored
- Where and how the food will be thawed
- Where (prep tables, sink, counter, etc.) the food will be handled (washed, cut, marinated, breaded, cooked, etc.)
- When (time of day and frequency/day) food will be handled
- Whether or not the food or any part of the food will be used as leftovers or as any ingredient in a future dish
- · How the food will be cooled if applicable
