Mr. Johnson:

The application for your proposed food service establishment has been reviewed but not approved due to the lack of information. The plan review cannot continue until the following information is provided.

1. A complete menu.
2. The floor plan you provided is not drawn to a recognizable scale
3. The equipment specifications were not provided for the equipment.
4. All proposed equipment must be indicated on site plan including counter-top equipment and labeled or referenced to an equipment list.

Until the above items are provided, a plan review cannot continue. If you have comments or questions, please feel free to contact this office at (910) 893-7547 between 8-9 a.m. Monday-Friday.
