BRANDED PACKAGING

Bellarico's® New York Style Pizza is one of the most popular pizza brands in the c-store industry. It is served at thousands of retail locations across the United States. Quality ingredients, product consistency and competitive food costs have kept the Bellarico's® brand in high demand.

Bellarico's® is the easiest and most convenient way to serve “hot, fresh, pizza shop pizza”. For the retailer, these pre-assembled pies are easy to prepare. They are pre-topped in five different flavors for baking convenience and consistency, as well as a way to control food costs. The consumer only knows that a slice of Bellarico's® New York Style Pizza is delicious.
