Subject: Chill Stop Plan Review - *Denied*

Yassen,

I've reviewed the application.

I need the following items:

Complete Food Service Application. Missing information on application.
Complete Menu-include any breakfast items
Provide complete food process sheets for each food item. Food process sheets were turned in blank.
Provide a site plan to scale. Include all equipment on site plan along with location of dumpster and grease receptacle.
Provide an equipment specification sheet for each piece of equipment.

Turn in the requested information to Central Permitting.

Thank you,
Jamie Turlington, REHS
