Where will dirty linen be stored? Teking Everry Note to with

FOOD HANDLING PROCEDURES

Explain the following with as much detail as possible. Complete descriptions including specific areas of the kitchen and corresponding items on the plan where food is handled will expedite the plan review process. Incomplete descriptions may result in the application being returned.

Explain the entire food handling procedure for <u>each food item on the proposed menu</u>. Including:

- How the food will arrive (frozen, fresh, packaged, etc.)
- · Where the food will be stored
- · Where and how the food will be thawed
- Where (prep tables, sink, counter, etc.) the food will be handled (washed, cut, marinated, breaded, cooked, etc.)
- When (time of day and frequency/day) food will be handled
- Whether or not the food or any part of the food will be used as leftovers or as any ingredient in a future dish
- · How the food will be cooled if applicable
