Re: Triton Quick Mart #EHFL2304-0001
205 E Jackson St
Erwin, NC 28339

Mr. Kaur,

The plans and specifications for the Triton Quick Mart have been reviewed and are disapproved for the following reasons:

- 1-The food service application is incomplete.
- 2-The site plan is not to scale as requested. All equipment including shelving, dry good storage, bathroom, dumpster and grease receptacle must be shown on the site plan.
- 3-Equipment specification sheets are missing and make and model was not indicated on specification sheets provided.
- 4-The menu must have all foods listed that you intend to offer for sale. This includes condiments, such as lettuce, tomato, pickles, etc., for sandwiches.
- 5-Food process sheets must be filled out for each menu item and the questions on the food process sheet must be filled out in detail for each menu item.

If you have questions, you may call (910) 893-7547 between the hours of 8-9 a.m. Monday-Friday.

Sincerely,

Jamie Turlington, REHS
