Notes & Details

Serve up your signature vegetables, chicken wings, fried foods, and virtually any other hot dish with this Avantco W50CKR electric countertop cooker / warmer / chicken wing warmer with (2) 1/2 size hotel pans! This unit can be used to rethermalize precooked food from a frozen or refrigerated state, or even to hold already-hot products at food safe temperatures! Whether you operate a buffet line, concession stand, or self-serve station, this 1500W cooker / warmer offers the functionality and versatility needed to always provide fresh-tasting products.

The temperature range is adjustable from 120-212 degrees Fahrenheit thanks to a simple control knob, and with less than a 30 minute warm up time needed, this unit offers a quick and effective way to cook up the products your guests love most. This 12" x 20" countertop food cooker / warmer is both lightweight and portable, making it an ideal solution for caterers or food trucks. It boasts a sturdy stainless steel water well that is sure to withstand the wear and tear of constant use, and the interior is lined with corrosion-resistant 20 gauge stainless steel to make cleaning an effortless task.

Also included in this kit are (2) 4" deep 1/2 size stainless steel hotel pans with an anti-jam design. Accompanying each of these pans is a pan cover designed to keep the contents of the pans warm and to help retain moisture so the food does not dry out. Each cover has a contemporary black handle, making removal simple without the potential for burns. This unit requires a 120V electrical connection.

Included in this Kit:

- (1) Countertop Food Warmer
- (2) 1/2 Size 4" Deep Hotel Pans
- (2) Pan Covers
