RE: Fruity Thoughts

Dear Mr. Moses,

A plan review application was received by this office concerning the construction of the above referenced facility. The application is not approved at this time with the following comments:

- A complete set of plans drawn to scale showing the placement of each piece of food service equipment, storage areas, trash can wash facilities, etc. was not submitted. Plans must include a site plan locating exterior equipment such as dumpsters and walk-in coolers.
- A complete equipment list and corresponding manufacturer specification sheets were not submitted.
- A proposed menu was not included.
- Items requiring clarification on application:
 - Wastewater system was indicated to be Public sewer. Facility is on record as being on an On-site septic system.
 - Number of food prep sinks was left blank.
 - Value for the length of the left side drainboard of the three compartment sink was left blank.
 - The application indicated 0 square feet of air drying space.
 - Can was facility was marked as not applicable.

Any item not shown on the plans or referenced above will be required to comply with 15A NCAC 18A .2600, **“Rules Governing the Sanitation of Food Service Establishments”** and the **2017 NC Food Code**. This review does not cover any other aspects of construction regulated by other jurisdictions.

If you require further assistance, please call 910-893-7547.

Sincerely,

Cindy Pierce, REHS
Environmental Health Section
