Dear Mr. King,

The plan review application for 4 Seasons Concession mobile food unit was received. A review of the application was completed. Additional information is requested at this time. Several items on the application were left blank and must be completed. You must obtain an LP Gas inspection from the NCDA & CS Division. You may contact NCDA & CS at (984) 236-4750. The commissary agreement form must be filled out and signed by the owner or permittee of the commissary. Provide a complete list of equipment and corresponding manufacturer specification sheets. Provide a list of menu items.

The items listed above must be submitted Donna Johnson at Harnett County Central Permitting, located at 420 McKinney Parkway Lillington.

Please contact our office at (910) 893-7547 if you have questions.

Sincerely,

Jamie Turlington, REHS
