RE: Bubbles Bussin Barbq MFU

Dear Mr. Stanley,

A plan review application was received by this office concerning the construction of the above referenced facility. The application is not approved at this time with the following comments:

-The submitted application was mostly blank. Please complete the application in its entirety and resubmit it and the following items to Donna Johnson at Central Permitting:

-A complete set of plans drawn to scale showing the placement of each piece of food service equipment on the unit was not submitted

-A complete equipment list and corresponding manufacturer specification sheets was not submitted.

-It was indicated per phone May 23, 2024, that you intended to make your slaw and chili. The submitted food process sheets now indicate slaw will be purchased and chili and BBQ will arrive frozen. Please be aware that all items must come from an approved source and no items may be cooked, processed or stored at a private home. Please indicate where food items will be sourced from on resubmitted application.

Any item not shown on the plans or referenced above will be required to comply with 15A NCAC 18A .2600, **“Rules Governing the Sanitation of Food Service Establishments” and the 2017 NC Food Code.** This review does not cover any other aspects of construction regulated by other jurisdictions.

If you require further assistance, please call 910-893-7547.

Sincerely,  
  
Cindy Pierce, REHS
