**COMMERCIAL PLANS – NEW BUILDING
Submittal Checklist**

Please use the following checklist to make sure your plan submittal is complete. Write in N/A for items that do not apply to your project.

- Complete Land Use Application, Site Plan Submittal Checklist, and Technical Review Committee (TRC) application. Submit 3 full size copies of site plan and 1 PDF copy with applications and checklists. All review fees due at time of submittal.
- Complete Building & Trade Permit application: Please include site address, contractor's information including license number, project costs, and applicant's signature.
- Submit two sets of building plans drawn to scale. All plans for new construction or structural changes must be sealed by a registered design professional licensed by the State of North Carolina. (Engineer or Architect)
- Two sets of building plans and Land Use Permit (Zoning Permit) from the Town of Angier must be submitted to Harnett County Central Permitting in Lillington for review and approval by the Fire Marshal's office. If food preparation is involved please include an additional two sets of plans for Environmental Health review and approval.
- Signed affidavit of Worker's Compensation Coverage
- Lien Agent Information
- Current North Carolina contractor's license if required
- Correct name and address for all trade contractors
- Original signatures on all applications

Each item on this check list must be correct or application will be refused. No application will be held incomplete.

All applicable water and sewer fees must be paid at the time the building permit is issued.

The Town of Angier is not responsible for making the water and sewer taps for new structures. The taps must be made by a licensed utility contractor and be inspected by the Town

AFFIDAVIT OF WORKER'S COMPENSATION COVERAGE
N.C.G.S. 87-14

The undersigned applicant for Building Permit # _____ being the

Yes Contractor

_____ Owner

_____ Officer/Agent of the Contractor or Owner

do hereby aver under penalties of perjury that the person(s), firm(s), or corporation(s) performing the work set forth in the permit:

Yes _____ has/have three (3) or more employees and have obtained workers compensation insurance to cover them,

_____ has/have one or more subcontractor(s) and have obtained workers' compensation insurance covering them,

_____ has/have one or more subcontractor(s), who has/have no employees and has waived in writing their right to coverage by their contractor or have their own policy of workers' compensation covering themselves,

_____ has/have not more than two (2) employees and no subcontractors,

while working on the project for which this permit is sought. It is understood that the Inspections Department issuing the permit may require certificates of coverage and/or waivers of workers' compensation insurance coverage prior to issuance of the permit and at any time during the permitted work from any person, firm or corporation carrying out the work.
