Good Morning Kim,

Per our conversation, we wanted to let you know we have made every attempt possible to schedule the final mech/elec hvac inspection regarding the above permit. All attempts were unsuccessful. This customer has not paid us even though the job was completed. Case has been taken to court, I believe they are assuming possession of the property etc, not entirely sure of all the specifics. We just wanted to notify Harnett County so you could notate in your system why this was never inspected.

If you have any questions or concerns please let us know. Thank you and have a great day.

Warm Regards,

Candace Soldano
