Re: Duct Blast Needed & Final Inspection (DB & Inspection Letter)

Permit Number: EMRES2110-0001

Inspections Department:

Harnett County Inspections Department
420 McKinney Parkway
Lillington, NC 27546
910-893-7525

Dear Mr. Stephen VanSchoick,

Congratulations on purchasing your new HVAC system from our company. We must complete the final stages for the installation, which is to complete your Duct Blast to be followed by the final inspection with the Harnett County Inspections Department according to NC State Building Codes.

We have attempted to schedule both the Duct Blast and Final inspection that are state required but have had no success, due to not having adequate work space for the technician or the Harnett County Inspector.

Please contact me at 919-550-7711 or 919-270-8827 (cell) and/or via email at yolanda@carolinacomfortair.com once adequate work space is able to be provided.

If we do not here back from you within a timely fashion we will notify the inspections department to remove Carolina Comfort Air from the permit and any fees accessed to reopen the permit will be at the expense to the homeowner.

We appreciate your business and thank you for choosing Carolina Comfort Air!

Sincerely,

Yolanda Owens
