Please put the property owner's name along with the daughter's name who is inheriting the property on the Trade Application.

I will also attach your email to the file for our records.

Good morning Michelle, I knew this one would have a problem. The homeowner has passed away and her daughter is handling the estate, but based on conversations I have had with her, it doesn't sound like the deed has been transferred to her name yet. What is the best way to proceed?

Kindest Regards
