After receiving a complaint, I made a site inspection at the 1st doublewide on the right on your property and observed sewage on the ground.

You are hereby notified that you are violating the Rules and Regulations adopted by the North Carolina Commission for Health Services in accordance with requirements of Article 11 Chapter 130A-335 (a) of General Statutes of North Carolina. A person owning or controlling a residence, place of business or a place of public assembly shall provide an approved wastewater system. A wastewater system may include components for collection, treatment and disposal of wastewater.

You are required to correct this problem within 30 days from this date. Please be advised that any action you may take without an improvement permit does not absolve you of the responsibility for correcting this public health problem, according to health department standards. The continuation of this violation may constitute a health hazard.

We request that you contact the Health Department within 7 days in order to obtain an improvement permit. You will be required to bring **a recorded survey map, deed**, and fill out a repair application in order to obtain an improvement permit.

I can be contacted at 893-7547 Monday-Friday, from 8:00-9:00 a.m.

Sincerely,

A handwritten signature in black ink, appearing to read "Oliver Tolksdorf", written over a horizontal line.
