PROJECT 6.452268
SECONDARY ROAD 1557
SHEET 14 AND 16

the undersigned owners of that certain property described in Deed Book 447 at page 91 in the Register of Deeds office of Harnett County, and bounded by

recognizing the benefits to said property by reason of the construction of the proposed highway development, and in consideration of the construction of said project, hereby grants to the Department of Transportation the right of way as herein described and releases the Department from all claims for damages by reason of said right of way across its successors and assigns, for all purposes for which the Department is authorized by law to subject such right of way; said right of way being the width indicated and across said property as follows:

60 ft. in width measured 30 ft. on each side of the center line of the road, said center line to be located by the Department and the construction or improvement of said road shall constitute the selection of said center line; and such additional widths as might be necessary to provide for cut and fill slopes and drainage of road. It is understood and agreed that the 60 ft. right of way hereinabove referred to has been staked upon the ground and the center line of the road is located in the center of the right of way stakes. It is further agreed that the property owners will erect no fencing or engage in cultivation upon the right of way described herein. It is further understood and agreed that should circumstances, conditions, or actions by the North Carolina Department of Transportation delay or delete the proposed improvement of said road, that the right of way granted herein shall remain until such time as released by the North Carolina Department of Transportation.

It is understood and agreed that the Department of Transportation will install two drive-ways into the property of the undersigned at approximate survey station 58+25 and 58+70 result thereof. It is also understood that the Department of Transportation will replace a dirt bank on the property of the undersigned from survey station 58 + 25 to survey station 60 + 10, survey center line and the undersigned will have no claim as a result thereof.

It is also understood that the Department of Transportation will cut into logs, any trees that may come in conflict with the construction of the road and the logs will be placed on the undersigned's property for their disposal. The undersigned will have no claim as a result thereof.

There are no conditions to this agreement not expressed herein. The undersigned hereby covenant and warrant that they are the sole owners of said property; that they solely have the right to grant this right of way, and that they will forever warrant and defend the title to the same against the lawful claims of all persons whomsoever. IN WITNESS WHEREOF, we have hereunto set our hands and affixed our seals this the 11th day of September, 1986.
