- In order for Environmental Health to help you with your repair you will need to comply by completing the following:**
1. A "**surveyed and recorded map**" and "**deed to your property**" (not your house) **must** be attached to this application along with a site plan showing (a) location of dwelling (b) location of driveway (c) location of any wells and other existing structures.
  2. The outlet end of the tank and distribution box will need to be uncovered and property lines marked. After the tank is uncovered, property lines are marked and orange sign has been placed, you will need to call us at 910-893-7547 to let Environmental Health know that your site is ready for evaluation.
  3. **The system must be repaired within 30 days or the time set within receipt of a violation letter.**

By signing below, I certify that all of the above information is correct to the best of my knowledge. False information will result in the denial of the permit. The permit is subject to revocation if the site plan, intended use, or ownership change.
