A plot plan must be attached to this application showing:  
1) Setting of dwelling, 2) Desired placement of septic tank system  
and 3) Well placement.

Place stakes at the exact location of dwelling and at each corner  
of lot.

An on site inspection must be made, which consists of a soil  
evaluation.

A zoning permit must be obtained from the Planning Department  
before an improvement permit can be issued by this department.

This certifies that all the above information is correct to the  
best of my knowledge and any false information will result in the  
denial of permit. Once the permit is issued, the permit is good  
for a period of 5 years. The permit is subject to revocation if  
site plans or the intended use change.
