1/6/2016 Met with Julian Bullard (Bullard Septic) about area for repair drainfield. He stated that the owner claimed that there was a second system on the property. I told him if he could find it we could use it.

1/7/2016 Mr. Bullard called & stated that he did find another septic tank & drainfield in the area that we discussed for the repair drainfield. I told him to connect the two tanks & <sup>use</sup> ~~test~~ that existing system.
