RE: solid waste accumulation at above address

Dear Mr. Bennett,

After receiving a complaint, an on-site inspection of the above mentioned property was conducted on February 4, 2005. At that time, an accumulation of solid waste was observed on your property.

You are hereby notified that this is in violation of the ordinance adopted by the Harnett County Board of Commissioners in accordance with the requirements of Article VI, Storage and Disposal of Solid Waste, of the Harnett County Solid Waste Management Ordinance, which states; "No owner, occupant, tenant or lessee of any property shall permit solid waste emanating from said premises to accumulate upon such premises unless stored in a manner prescribed by this ordinance".

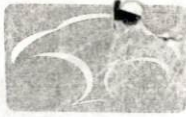

This problem must be corrected, and the waste properly disposed of within two (2) weeks from the date that you receive this letter. We request that you contact the Health Department within seven (7) days to discuss your plan of action concerning this matter. If you do not comply within the allotted time frame we will be forced to obtain legal action. I can be contacted at 893-7547 Monday through Friday between 8:00 and 9:00 a.m.

Sincerely,
