

A hand-drawn site plan of a property. The plan is bounded by a dashed line labeled "EASEMENT" on the left and "white wood fence" at the bottom. The property dimensions are as follows:

- Top boundary: 60' (horizontal), 75' (vertical), and 30' (diagonal).
- Right boundary: 28' (horizontal) and 30' (diagonal).
- Bottom boundary: 30' (horizontal).

Key features include:

- A rectangular building footprint in the center.
- A set of "steps" leading from the building to a small square structure.
- A small square structure, possibly a shed or well, located near the bottom center.
- Four parallel lines representing a driveway or path leading from the bottom center towards the building.
