3/3/2016 I spoke with Mr. Delma France about the failing septic system @ 735 W. Church St. Angier. He stated that he was going to have the water shut off to the home & asked the people to move out. He said it may take a little longer than 30 days. I asked him to give me a call at the end of the 30 days to let me know where he was with having the people move out.
