Theresa,

Please let me know if you need anything additional. Brandon Lee Electric has applied for the electrical permit for this address.

Thank you in advance for your help!

Mrs. Theresa Jones,

I am the home owner (495 Tyler Dewar Lane, Fuquay Varina, NC 27526) and in the process of having a home generator and gas lines installed. My electrician works with KB Power and I believe they have submitted the permit request. The company doing the gas work is KB Johnson Oil & Gas Inc. from Fuquay Varina. Their license number is: 21146.

Do you require any additional information to ensure the permit is approved?
