Contract Period – Each consumer shall enter into a contract for a minimum original term of one (1) year and thereafter either party may terminate the contract by giving at least sixty (60) days notice of such termination in writing. The Cooperative reserves the right to offer a contract for a longer original term of years as specified in the individual contract with the consumer. The Cooperative further reserves the right to terminate the consumer's contract under this Rider at any time upon written notice to the consumer in the event that the consumer violates any of the terms or conditions of this Rider, or operates the Renewable Generation system in a manner which is detrimental to the Cooperative or any of its consumers. In the event of early termination of a contract under this Rider, the consumer will be required to pay the Cooperative for any costs it incurs due to such early cancellation.

Applicable Taxes – The total charges under the Rider will be increased by any applicable sales taxes imposed by any governmental authority.

Small Consumer-Owned Generator Rider Contract

I, the consumer, have read and understand the Cooperative's Small Consumer-Owned Generator Rider and agree to comply with the requirements therein.
