919-274-9905

300 FAYETTEVILLE ST., #1430

RALEIGH, NC 27602

Project: Palmetto State Solar: Mary Richardson

Subject: PV System Post Construction Inspection

Date: 6/5/2019

To whom it may concern:

Model Energy, PLLC has reviewed the installation details of the PV system that was installed by Palmetto State Solar at 701 East H Street, Erwin, NC 28339. The review was limited to the structural elements involved in the construction.

The structural installation of the PV system was inspected, it shall not create a negative impact on the building's structural design, and is in compliance with the North Carolina Residential Building Code. In addition, the PV system was installed in accordance with the structural documents submitted for permitting and was installed using standard and sound construction practices.

Thank you,

Andrew King, PE
