MEETING	Donna Johnson	10/4/2019	10/4/2019	customer came in wanting an electrical permit for a pole. he said he has a 8x12 storage building on property for horses and he would like power on that and also for an electric fence. Customer seemed very confused in the office when I would ask him questions. I did tell him if our inspectors went out there at anytime and there was other buildings of any kind on property we would cut power off immediately.
