Kimberly,

Thanks for checking in on this property. I was not aware of this issue. If the only request they have is for a minimum electrical permit to have the meter inspected. The Town is okay with the permit being issued.

Thanks,  
Snow Bowden

Customer called stating a tree took out the meter base. I explained to her that she would need to fill out one of our applications and get it in to us. Just wanted to make sure it's ok with you and you are aware.
