- Apply all applicable personal protection equipment (PPE) and follow safe electrical work practices. See IEEE 70E.
- This equipment must only be installed and serviced by qualified electrical personnel.
- Never operate electrical panels with door open. Panel door latched.

- Turn off switch before servicing or installing fuses or making load side connections.
- Always use a properly rated switch. Working directly at all times and least 10m above to confirm switch is off.
- Turn off power supplying switch before doing any other work on or inside switch.
- Do not use combustible fuses in fuses switches.

Failure to follow these instructions will result in death or serious injury.

1-800-541-4375

- Utilice todos los equipos de protección personal (EPP) apropiados y siga las prácticas de seguridad eléctrica apropiadas para su (su/s) equipo(s) eléctrico(s) en todas las (las) VEs.
- Solo personal calificado debe instalar y reparar este equipo eléctrico. Véase IEEE 70E.
- Nunca opere paneles eléctricos con la puerta abierta. La puerta debe estar cerrada y asegurada.
- Desconecte el interruptor antes de trabajar o instalar fusibles o de hacer conexiones en el lado de carga.
- Siempre utilice un dispositivo de bloqueo normal adecuado en los clips para fusibles antes de tocar el cable y luego para confirmar la desconexión del interruptor.
- Desconecte el interruptor antes de realizar cualquier otro trabajo en el interruptor.
- No utilice fusibles de carga reemplazables en los interruptores de fusión.

El incumplimiento de estas precauciones puede causar la muerte o lesiones serias.

 ENPHASE.

IQ7

IQ7 is a 300W Solar Panel Inverter. For complete technical information, refer to the IQ7 datasheet located at www.enphase.com.

Input voltage range: 18-60V
DC input: 12V, 24V, 48V, 60V
Output power: 300W
Efficiency: 95%
Operating temperature: -40°C to 60°C
Dimensions: 100mm x 100mm x 100mm
Weight: 100g
RoHS Compliant: Yes

This device complies with FCC Part 15B requirements. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) This device must accept any interference received, including interference that may cause undesired operation.

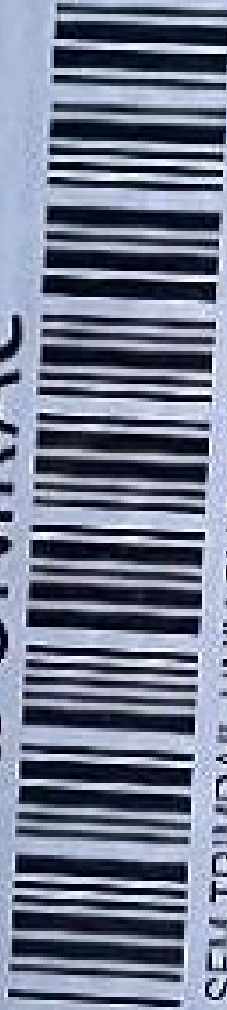

CAUTION: THIS DEVICE IS NOT TO BE USED IN A HAZARDOUS ENVIRONMENT. REFER TO THE USER MANUAL FOR MORE INFORMATION.

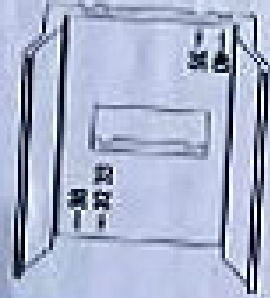

WARNING: THIS DEVICE IS NOT TO BE USED IN A HAZARDOUS ENVIRONMENT. REFER TO THE USER MANUAL FOR MORE INFORMATION.

ATTENTION: THIS DEVICE IS NOT TO BE USED IN A HAZARDOUS ENVIRONMENT. REFER TO THE USER MANUAL FOR MORE INFORMATION.
