X 4. Other –Septic tank approved. Site plan denied. Marked array not in original site plan location. Appears to have been relocated from original location. Per last emailed and mailed guidance, “Revise paperwork accordingly with power route and revised array location if required.”

Your application will be put on hold until the selected items above have been addressed. When completed, **call (910) 893-7547 to confirm** that the items mentioned have been corrected we will then reschedule your property for evaluation.
