Good morning Kristen,

We have all the info we need. Please let me know when the project is complete so we can reprogram the meter for solar installation.

Thank You,

Ryley Osentoski | Key Accounts and Energy Information Representative

Subject: Interconnection - 295 Bandana Way Cameron, NC 28326

Good afternoon!

Attached are the interconnection documents for Nicholas Troyer. It is my understanding he has already spoken to Riley.

Is there an interconnection application fee that I need to have sent in?

Please let me know if you have questions or need additional information. I am looking forward to receiving permission to start construction.

Thank you,

Kristen Eaves
