On behalf of PowerHome Solar, Penn Fusion Engineering LLC (PFE) has observed the installation of the photovoltaic system at the above referenced location. A representative of PFE, under my direct supervision, visited the site on Thursday, February 10, 2022.

This office has verified the following:

1. The PV equipment's structural installation has been designed and inspected.
2. The equipment will not create a negative impact on the building's structural design, including any additional loads imposed (dead, snow, wind).
3. The installation is in compliance with the North Carolina Residential Code.

Best Regards,
Penn Fusion Engineering, LLC
