Your application request has been approved.

Congratulations! Your application request for account number 910044791261 is **currently in construction** for your installation at your facility at in

NC.

We have attached a copy of your interconnection request granting **contingent approval** for installation at your facility.

After your system is installed, please sign into the Customer Portal and fill out the Certificate of Completion. Once this is complete and the county inspection has been received, the Renewable Service Center will review and validate the Certificate of Completion.

When the install is complete, please reference Premise ID # for the local electrical inspection approval document.

Thank you for being a Duke Energy Customer. If you have questions, please contact us at CustomerOwnedGeneration@duke-energy.com or 866-233-2290.
