Dear Sir or Madam:

**Re: Marc Jones Construction, LL.C., dba Sunpro Solar, Change of Name to ADT Solar LLC
FEIN: 26-0713358**

On December 9, 2021, ADT announced that it completed its acquisition of Sunpro Solar, formally known as Marc Jones Construction, LL.C. (“MJC”). MJC currently holds one or more license(s) with your department.

ADT is currently undergoing a rebranding exercise which, **effective on April 18, 2022**, will result in MJC changing its name to ADT Solar LLC (“ADT Solar”). After the name change, ADT Solar intends to maintain its license(s) with your department under the name ADT Solar LLC - please advise whether you require anything further in order to maintain ADT Solar’s license(s) in good standing after the name change.

Should you require additional information, please do not hesitate to contact us by email at adtsolarregistrations@theprocompanies.com or by phone at **985-238-0864**.

Kind regards,
