Subject: 408 West K Street- Zoning Verification for minimum electrical permit

Good Morning,

I hope that you had a great weekend with your grandkids. Please let this e-mail serve as a verification of zoning to issue a minimum electrical permit for 408 West K Street. There is an existing meter there that needs to be inspected from what the property owner told me. If you have any questions or need more information please let me know.

Thanks,
Snow Bowden
