

## MODEL ENERGY, PLLC

MODELENERGY.COM

919-274-9905

300 FAYETTEVILLE ST., #1430

RALEIGH, NC 27602

Installer: SmartSun Solar  
Customer: Courtney Starks  
Subject: PV System Post Construction Inspection  
Date: 8/6/2022

To whom it may concern:

Model Energy, PLLC performed a site visit on August 5, 2022 and has reviewed the installation details of the PV system that was installed by SmartSun Solar at 316 Pender Road, Spring Lake, NC 28390. The review was limited to the structural elements involved in the installation.

The structural installation of the PV system was inspected, it shall not create a negative impact on the building's structural design and is in compliance with the 2019 North Carolina Residential Code. In addition, the PV system was installed in accordance with the structural documents submitted for permitting and was installed using standard and sound construction practices.

Thank you,

Andrew King, PE
