Good Afternoon,

It is fine to issue an electrical permit for this property. If they want to obtain any other permits please tell them to reach out to me to obtain a zoning permit first. I am about to head out of the office but I will be back on Monday. I hope that you have a great weekend.

Thanks,  
Snow Bowden

This owner contacted me in regards to having a reconnect done. She said the meter box was damaged and some things had to be replaced. They had a licensed electrician do the work. Is it ok to issue the electrical permit?
