RE: POST INSTALLATION AFFIDAVIT

Project Address: Respass Residence
36 Rock Ridge Pl
Coats, NC 27521

Subject : Post Installation Affidavit

To Whom It May Concern,

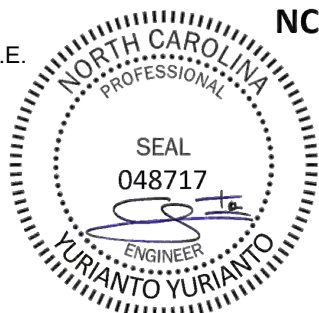

On the above reference project, the structure has been reviewed for additional loading due to the installation of the solar PV addition to the roof. The structural review, including the plans and calculations only apply to the section of roof that is directly supporting the solar PV system and its supporting elements.

The demand loading on the structure directly supporting the additional gravity loading due to the solar panel supports and modules had been reviewed post installation and determined to be in accordance with the requirements of the following code; =2018 NCSBC, 2018 NCSRC, ASCE 7-16. The letter shall serve as a certification that the installation meets the requirements of the approved permit drawings.

Please feel free to contact me with any further questions.

Sincerely,

Yuri Yurianto S.E., P.E.
