Alfredo Serrano Ramirez 7118 U.S. 401 Bunnlevel, North Carolina, 28323 Tim mock

Customer Information / Informacion Del Cliente / Front of Home & Street Numbers Close Up

Electrical / Electrico / Interconnection (tie-in closeup, solar breaker rating, msp bus rating)

Electrical / Electrico / Interconnection (tie-in closeup, solar breaker rating, msp bus rating)

Electrical / Electrico / Interconnection (tie-in closeup, solar breaker rating, msp bus rating)

Electrical / Electrico / Interconnection Wiring Overview (pullback of meter /panel covers off)

Electrical / Electrico / AC Disconnect Wiring (close up of fuse rating when needed)

Electrical / Electrico / AC Disconnect Wiring (close up of fuse rating when needed)

Electrical / Electrico / DC Disconnect Wiring (lower section of the inverter)

Electrical / Electrico / Inverter with Cell Kit (upper section of inverter without cover)

Electrical / Electrico / Inverter with Cell Kit (upper section of inverter without cover)

Electrical / Electrico / BOS Conduit Run (show point of entry with sealant closeup inside and out of conduit body, and drainage weep holes)

Electrical / Electrico / Attic Conduit Run

Electrical / Electrico / Visible Grounding to Electrode Show All (ground rods, water main, Ufer, other)

Electrical / Electrico / Visible Grounding to Electrode Show All (ground rods, water main, Ufer, other)

Electrical / Electrico / Visible Grounding to Electrode Show All (ground rods, water main, Ufer, other)

Electrical / Electrico / Visible Grounding to Electrode Show All (ground rods, water main, Ufer, other)

Electrical / Electrico / Voltage at Open Circuit (DCv of each string, not connected to inverter)

Electrical / Electrico / Voltage at Open Circuit (DCv of each string, not connected to inverter)

 $\mbox{Electrical / Electrico / Voltage at Open Circuit (DCv of each string, not connected to inverter)$

Electrical / Electrico / Voltage at Open Circuit (DCv of each string, not connected to inverter)

Electrical / Electrico / Voltage at Open Circuit (DCv of each string, not connected to inverter)

Electrical / Electrico / Inverter Serial Labels (full side label, serial QR code, & RGM)

Electrical / Electrico / Inverter Serial Labels (full side label, serial QR code, & RGM)

Electrical / Electrico / Inverter Serial Labels (full side label, serial QR code, & RGM)

Electrical / Electrico / RGM Serial Label (inside inverter if included)

Electrical / Electrico / BOS Stickers for Each Box (covers on)

Electrical / Electrico / BOS Stickers for Each Box (covers on)

Electrical / Electrico / BOS Stickers for Each Box (covers on)

Electrical / Electrico / BOS Stickers for Each Box (covers on)

Electrical / Electrico / Utility Service Meter with Warning Label (including utility meter number closeup)

Electrical / Electrica / Electrical Equipment Overview (pullback of all boxes, discos, meters, inverter)

Electrical / Electrico / SetApp Commissioning (P_OK/S_OK/Meter Serials)

Roof / Techo / Potential Shading

Roof / Techo / Potential Shading

Roof / Techo / Attachment Sealant

Roof / Techo / Attachment Sealant

Roof / Techo / Roof Attachment (closeup and overview)

Roof / Techo / Roof Attachment (closeup and overview)

Roof / Techo / Roof Attachment (closeup and overview)

Roof / Techo / Optimizer/Microinverter Mounted

Roof / Techo / Optimizer/Microinverter Mounted

Roof / Techo / Optimizer/Microinverter Mounted

Roof / Techo / Racking and Wire Management (all arrays modules off)

Roof / Techo / Racking and Wire Management (all arrays modules off)

Roof / Techo / Racking and Wire Management (all arrays modules off)

Roof / Techo / EGC Path (roof only)

Roof / Techo / EGC Path (roof only)

Roof / Techo / EGC Path (roof only)

Roof / Techo / Rail Splices

Roof / Techo / Rail Splices

Roof / Techo / Rail Splices

Report Created: 11/28/2022

Roof / Techo / SolaDeck/Junction Box (each array cover on/off)

T.

Roof / Techo / Optimizer/Microinverter Map (arranged in array layout)

D SD +

Roof / Techo / Grounding From Rail to Soladeck/JBox

Roof / Techo / String Diagram

Roof / Techo / Module Label

Roof / Techo / Module Clamps (Mids and Ends)

Roof / Techo / Module Clamps (Mids and Ends)

Roof / Techo / Module Clamps (Mids and Ends)

Roof / Techo / Module Clamps (Mids and Ends)

Roof / Techo / Module Clamps (Mids and Ends)

Roof / Techo / Under Array Wire Management (each array)

Roof / Techo / On-Array Tilt and Height (for each array)

Roof / Techo / On-Array Tilt and Height (for each array)

Roof / Techo / On-Array Tilt and Height (for each array)

Roof / Techo / Complete Array (every module shown)

Roof / Techo / Complete Array (every module shown)

Roof / Techo / Safety Anchor Penetrations (flashed and sealed)

 $\operatorname{Roof}/\operatorname{Techo}/\operatorname{Complete}\operatorname{Roof}$ Conduit and Supports, with Flashing and Sealant

Roof / Techo / Rooftop Conduit Penetration (showing sealant under flashing and around conduit)

Crew & Safety / Instaladores y Seguridad / Completed Site Safety Plan

Crew & Safety / Instaladores y Seguridad / Install Vehicles w/ Safety Cones

Crew & Safety / Instaladores y Seguridad / Install Vehicles w/ Safety Cones

Crew & Safety / Instaladores y Seguridad / Caution Tape for Controlled Access Zones

Crew & Safety / Instaladores y Seguridad / Proper Ladder Setup

Crew & Safety / Instaladores y Seguridad / Crews Wearing Fall Protection/PPE

Crew & Safety / Instaladores y Seguridad / Crews Wearing Fall Protection/PPE
