VOLTS
DANGER
Hazard of electrical shock or burn.
Turn off power before working inside this equipment.
WARNING: Use only with GE type breakers; use of other circuit breakers voids the warranty, may void the UL Listing and could result in property loss or personal injury. The circuit breakers at this box have been selected to protect the wiring. To avoid damage and loss of protection, do not replace with higher Ampere rated breakers. If changes are necessary call a qualified electrical contractor.
Do not allow petroleum based paint, spray or solvents to contact interior components which may cause degradation of electrical insulating materials and affect user safety.
