300 FAYETTEVILLE ST., #1430

RALEIGH, NC 27602

Installer: 691 Electric
Customer: Cornnett, Tracy
Subject: PV System Post Construction Inspection
Date: 1/17/2023

To whom it may concern:

Model Energy, PLLC performed a site visit on January 16, 2023 at 93 Joel Way, Lillington, NC 27546 and has reviewed the installation details of the PV system that was installed by 691 Electric. The review was limited to the structural elements involved in the construction.

The structural installation of the PV system was inspected, it shall not create a negative impact on the building's structural design and is in compliance with the North Carolina Residential Building Code. In addition, the PV system was installed in accordance with the structural documents submitted for permitting and was installed using standard and sound construction practices.

Thank you,

Andrew King, PE
