- <u>All property irons must be made visible</u>. Place "pink property flags" on each corner iron of lot. All property lines must be clearly flagged approximately every 50 feet between corners.
- Place "orange house corner flags" at each corner of the proposed structure. Also flag driveways, garages, decks, out buildings, swimming pools, etc. Place flags per site plan developed at/for Central Permitting.
- Place orange Environmental Health card in location that is easily viewed from road to assist in locating property.
- If property is thickly wooded, Environmental Health requires that you clean out the <u>undergrowth</u> to allow the soil evaluation to be performed. Inspectors should be able to walk freely around site. *Do not grade property*.
- <u>All lots to be addressed within 10 business days after confirmation. \$25.00 return trip fee may be incurred for</u> <u>failure to uncover outlet lid, mark house corners and property lines, etc. once lot confirmed ready.</u>
- * Environmental Health Existing Tank Inspections
