RALEIGH, NC 27602

Installer: Ready Solar  
Customer: Jimmy Barcia  
Subject: PV System Post Construction Inspection  
Date: 4/7/2023

To whom it may concern:

Model Energy, PLLC performed a site visit on April 6, 2023, at 234 Chedworth Dr., Angier, NC 27501 and has reviewed the installation details of the PV system that was installed by Ready Solar. The review was limited to the structural elements involved in the construction.

The structural installation of the PV system was inspected and appears to be compliant with the 2018 North Carolina Residential Building Code. In addition, the PV system was installed in accordance with the structural documents submitted for permitting and was installed using standard and sound construction practices.

Thank you,

Andrew King, PE
