Installer: Freedom Forever North Carolina, LLC
Customer: David Worswick
Subject: PV System Post Construction Inspection
Date: 3/28/2023

To whom it may concern:

Model Energy, PLLC performed a site visit on March 28, 2023 to 32 Allegheny Drive, Spring Lake, NC 28390 and has reviewed the installation details of the PV system that was installed by Freedom Forever North Carolina, LLC. The review was limited to the structural elements involved in the construction.

The structural installation of the PV system was inspected and appears to be compliant with the 2018 North Carolina Residential Building Code and in accordance with the pre-installation structural letter by Barun Corp. In addition, the PV system was installed in accordance with the structural documents submitted for permitting and was installed using standard and sound construction practices.

Thank you,

Andrew King, PE
