RE: Permit # ERES2309-0050  
Permit # BRES2309-0047  
174 Rock Harbor Lane  
Spring Lake, NC 28390

To: Harnett County Central Permit Dept.

Showcase restoration would like to cancel permit number ERES2309-0050 & BRES2309-0047 for the following reason:

- Homeowner refuses to pay for work already completed by Showcase Restoration
- Also, refusing to pay for any work in the scope of work for the above listed address

The work that has been completed is as follows:

- Full Roof with OSB board on Sept. 30, 2023

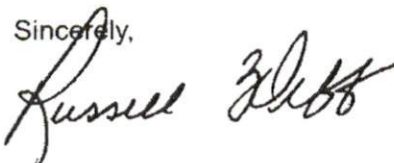

The following work has not been completed:

- All interior work

We stopped work on the house after the roof was completed.

We are asking that you cancel the permit ERES2309-0050 that was issued to Showcase Restoration and request a refund of the permit fees.

Sincerely,

Russell Webb  
Project Supervisor
