

BYLD LLC
1213 West Morehead St. STE 500
Charlotte, NC, 28208

The electronic and hardcopies of photos and documentation are an accurate depiction of the PV installation submitted to the Greensboro electrical inspector for the Solar Photovoltaic System installed at the **Simpson** residence, located at **360 Kotata Ave, Bunnlevel, NC 28323, USA**. This installation has been inspected under my direct supervisory control and have verified that the installation is in compliance with 2017 NEC noted in the permit documents.

Sincerely,

W. Mitchell
