

Powur Solar Comment Response Letter
Permit KARLA YESENIA CLAVEL
AHJ - HARNETT COUNTY

Date: April 12, 2024

This letter serves as supplementary input to the corrections made for the comments issued the photovoltaic project located at 36 ATHENS CT, CAMERON, NC 28326, USA. The comments made were addressed as follows:

Comment #1 (PV-2, 3, 10, 11 & 12): Change the attachment to Duos to Butyl

Response: We have changed the attachment Duos to Stronghold Butyl.

I hope that this letter accurately and completely responds to your correction items. Should you have further questions or clarifications, please do not hesitate to contact me directly.

Regards,
Phy Baker
